3. While scholarship opportunities for undocumented students seem scarce, there are opportunities nonetheless. Not all scholarships will explicitly call for "undocumented" students - they may require students to have a specific status such as DACA, AB 540, etc. Some scholarships may not even ask about immigration status or citizenship, so you may qualify for those scholarships if you are currently undocumented. Make sure to check your state's immigration laws and policies when applying for scholarships and other forms of financial aid.
